

Helping you succeed with **Microsoft Business Applications**

**~ 1000 Customers | 30+ Countries |
~ 25 Years | Global Delivery Model**

As a recurring Microsoft Business Applications Inner Circle Partner (less than top 1% globally) Alletec leverages its product experience, industry knowledge and the Global Delivery model to help customers succeed with their Digital Transformation initiatives.

Full Stack Solution Provider - Deep Domain Knowledge

Alletec solutions and services are consulting led, leveraging the full portfolio of Dynamics 365, Power Platform and Azure Intelligent Cloud, along with other technologies. The domain knowledge of our teams, together with technical expertise and Agile project methodology enable us bring predictability to project outcomes, with cost efficiency.

Whether you are looking for a full ERP | CRM implementation, leveraging Data & AI, or just optimizing your existing business applications, Alletec's certified Microsoft consultants will provide you with a tailored solution to fit your needs.

In addition, our ISV solutions act as the accelerators to your project progress. Ask us to learn more about our ISV solutions:
